Respected Friend:

Yours of 28th inst rec'd & I sincerely thank you for the effort made to procure me a Jordan Peace Medal for the Peace Society.

Perhaps I may be permitted to see one & if you have any description of it, I would like it for the columns of the Peacemaker - a copy of which I mail you.

It is rather too much to ask Congress for so small a matter I suppose, but I can but regret the Dept does not see the value it would be to it, the cause & the administration, to grant the request. Yrs Sincerely
